Intern Code - DACAAP-3372

Offer for Internship

Mr./Ms.ALLENA VENKATA SAI ABHISHEK , it gives us great pleasure to offer you an Intern position at Data Analytics Cell, Aam Aadmi Party (AAP).

Below are the details for the same :

Job Title - Intern

Joining Date - 20-06-2019

Duration - 3 months

Job location - Virtual

Responsibilities - The key responsibilities would include but not limited to the following:-

1. As a member of Data analytics Cell, you will have to extract the data using the tool or python code.
2. You will have to learn about the basics of python, R and various libraries such as numpy, matplotlib etc.
3. You would be asked to calculate the Percentage and number of big data using python code.
4. You have to study about basics of statistics.
5. You will have to present all data in the presentable form such as pie charts and graphs etc using python code.

Targets - Would be set for each individual depending upon the nature of work and time

Commitment with us - The same shall be decided on the day of joining and shall be reviewed and revised on a periodic basis.

Salary, Benefits, and Reimbursement - No salary or stipend would be given during the entire internship. No traveling or other contingencies would be given to any intern.

Termination Policy - The research cell reserves the right to discontinue internship of any candidate on the disciplinary grounds and on non-performance of the candidate. The decision of the research cell shall be deemed final. The decision of the research cell would be based on the rules and regulations of the research cell, after taking advice from the mentor of the intern.

Sincerely,

Aam Aadmi Party
